

## Current Construction & System Maintenance Projects

Updated: October 24, 2025

If you have any questions, please Contact: Customer Service: (413) 536-9300

Bill Sullivan, Gas Engineer: (413) 322-1523

Vinny O'Connell, Electric Engineer: (413) 536- 9485

*Please note: This is not a complete list of projects. Regularly scheduled construction activities typically take place between 7:00 am and 4:30 pm. Future Projects may be delayed or cancelled at HG&E's discretion.*

*Tree crews and other HG&E contract personnel will be working at various times and locations throughout the year. If there are any questions regarding tree crews and/or other contract personnel, please call (413) 536-9355.*

## Current Projects

### Cabot St - Gas

|             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Location    | Cabot St from Canal St to Race St                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Description | Gas Main and Service Upgrade                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Impact      | <p>Customer's gas service will be interrupted for approximately 4-6 hours while HG&amp;E replaces the piping from the gas main to the gas meter. Parking signs will be placed on the side of the road at the end of each day to keep the target work area open for the next morning.</p> <p>Throughout this project, HG&amp;E will maintain one lane of traffic as much as possible. In order to complete the project, there will be times HG&amp;E will have to close the road and implement a detour.</p> |
| Duration    | Expected completion date: 12/31/2025                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| Location    | Wyckoff Ave                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Description | Gas Main and Service Relocation - This project is related to the sewer separation work the City of Holyoke plans to perform in the River Terrace area.                                                                                                                                                                                                                                                                                                                                                      |
| Impact      | <p>Customer's gas service will be interrupted for approximately 4-6 hours while HG&amp;E replaces the piping from the gas main to the gas meter. Parking signs will be placed on the side of the road at the end of each day to keep the target work area open for the next morning.</p> <p>Throughout this project, HG&amp;E will maintain one lane of traffic as much as possible. In order to complete the project, there will be times HG&amp;E will have to close the road and implement a detour.</p> |
| Duration    | Expected completion date: 10/31/2025                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
